00-503, Warsaw  
NIP: 7010963117

## References

On our order, the Mayeryn company has carried out a project on adjusting the IT system that supports the process of participatory budgeting and integrated it with the National Electronic Identification Node (login.gov.pl). We are very satisfied with this cooperation. The project was completed on time. There were no communication problems. The company's employees reacted quickly and efficiently to any technical and procedural problems. I highly recommend cooperation with Mayeryn.
